We ore now at the end of our journey through high school. On our way we have met with joy ond despoir, pride ond discontentment, laughter and tears. Some of our most treasured memories were from within the walls of West Bridgewater High School. As we now embark, seporately, on countless new journeys, each ond every one of us carries in his heart ond mind the lessons taught here. In this, our yeorbook, are captured the wonders of this journey, reflected in the eye of o comero. As we recoll, let us feel secure in the knowledge of our own betterment and confident in our trust in heavenly guidance.

OUR DEDICATEE

The Class of 1967 has a special place in its heart reserved for a man who has given of himself, in so many ways, to help make our burdens lighter, our days brighter. With little thought of himself, he has struggled and fought for us, won and lost for us. His warmth, sincerity, and interest in our problems have made him a shining star in our memories. As we leave West Bridgewater High School and go on our separate ways, we will never forget his twinkling eye and jolly laughter. And so to you, Mr. Reed, we dedicate our Climber.

ADMINISTRATION

Dear Graduates:

As you leave West Bridgewater High School, I offer this thought to take with you; THINK BIG. This is not original but I believe it is timely.

While you have been in high school, and especially this past school year, you have been feeling and acting big. This is normal and natural, for as you have grown physically and mentally it is an expected and wholesome result of your maturing. However, because we are subject to human interests, likes, dislikes, and, inevitably, failings; we may not accompany this maturation with an equally desirable and comparable mental improvement.

Thus, to THINK BIG, we mean; to think and act generously whether it is shoring personal gain, our own understandings, or our own knowledge and comprehension. Show, in a humble and potent manner, the advantages you have enjoyed, because you were blessed to be born in this wonderful country of ours. Again, a word of caution, you need not force yourself upon others to accomplish this; there are many more acceptable approaches that can be successful.

Thank you for your fine cooperation to your teachers and never hesitate to again call on your schools if you feel we may be of assistance. Good luck and God bless you.

Sincerely,
DONALD A. FISHER
Superintendent of Schools

Mrs. MacMullen

To the Class of 1967

You have now completed the first step in your education. Learning is a continuous process and must be carried on throughout life if a person is to keep pace with society.

You are graduating into a world which is more exciting and invigorating than at any time before. More knowledge is gained daily, now, than the total of all knowledge accumulated throughout history. I envy you for entering adult life during these times for the things you will see and do are far beyond the imagination. Enter adult life open-minded and use good judgment in solving problems you encounter.

Our aim has been to try to prepare you to use good judgment in your daily life and I sincerely hope we have had some success in this endeavor.

Please accept my heartiest congratulations and may prosperity in all forms be your destiny.

Sincerely,
THOMAS G. BURDIN, JR.

THE WICKMAN

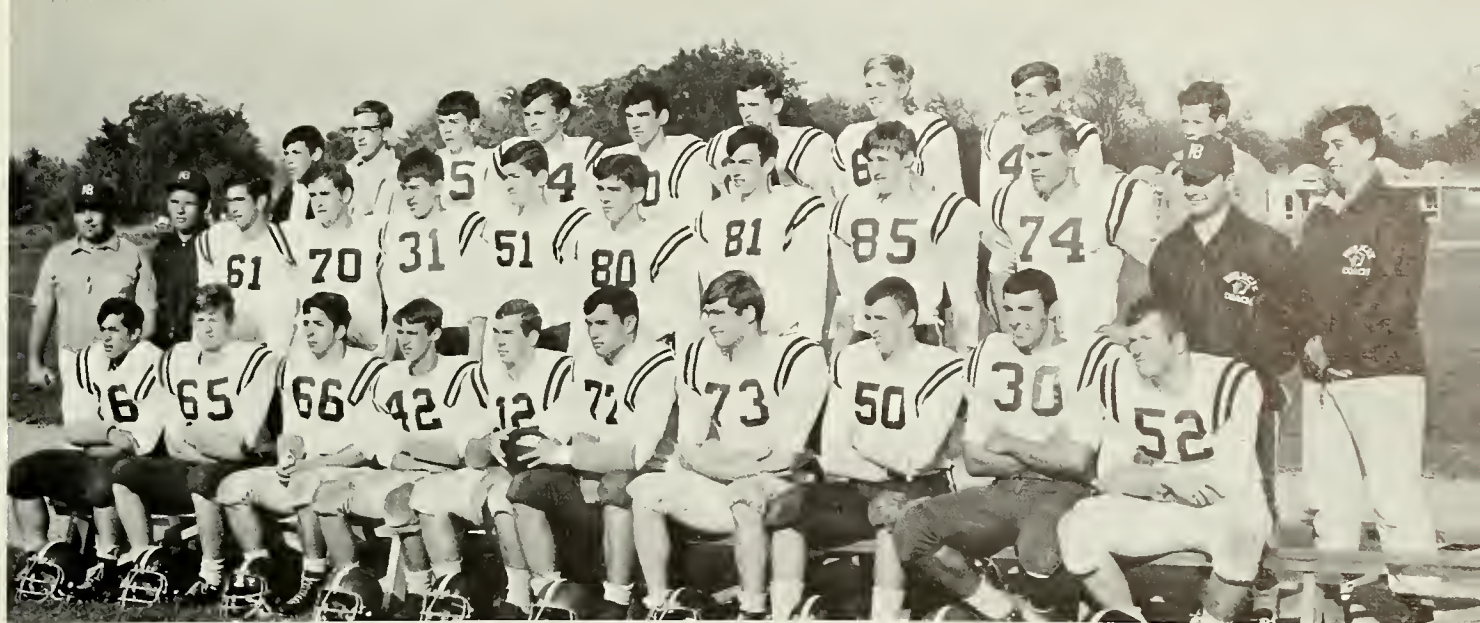

FOOTBALL

The 1966 football team terminated the season with a record of five wins and four losses. Leading the squad were co-captains Scott Lovell and Kev Johnson. Both Lovell and Johnson, and fullback Phil Asock, were elected to the All-League membership. Along with guard Brian Milon and center Chuck Brewster, the aforementioned boys were given honorable mention in several Boston journals. Additional laurels were bestowed on Lovell and Asock in their appointments to the Brockton Enterprise All-Scholastic team. Other seniors who contributed much to the squad are guards Dave Rossi and Tom McConn; ends Donny O'Brien, Dick Tsiko, and Rick Murray; and tackle Fred Willis. They will not easily be replaced in 1967.

This year's Junior High Football team began its season with two consecutive victories and then lost three very close games, only one of which could have gone either way. Coach Heoslip says that a great deal of credit is deserved by all those who come out for the team and worked so hard all year. He further stated that several boys deserve mention as outstanding in their effort for this season; they are Ed Zomoitos and William Lucini and the rest of the Wildcat team.

This was the most successful season since WB joined the So. Shore Cross Country League a few years ago. There was considerable depth and enthusiasm on this year's team. The J.V. squad was undefeated in dual competition and also swept to victory in the All League Meet. For the first time in school history a Junior High program was inaugurated. A new system of awarding points was begun. Four runners amassed over 100 points for the season. They were: Co-captain Tim Daniels, Donald Berry, Co-captain Jim Crowley, Robert Slupski.

The 1966 track season was highlighted by state championship titles won by the team's co-captains, Philip Asock and Brian Milon. Phil is the state champion in the low hurdles and Brian, in the pole vaulting event. The team as a whole enjoyed a much improved season, winning three out of seven meets and placing second in two. Scott Lovell was an important sprint man whose accomplishments include a medal won at the South Shore meet. Fred Willis placed sixth in state competition in the shot putt and discus events, and Bob Hinchliffe distinguished himself by setting a new school record for the mile. Quarter-miler Tim Daniels, Sprint man Frank Anderson, and pole-vaulter Donny O'Brien were also important track men. The track team, one of the newer additions to the West Bridgewater High School athletic program, completed a season of which to be proud.

The 1966 Baseball team led by Boyd Campbell was very spirited. Chuck Brewster was an inspirational leader and the return of Dick Tsika was a big asset to the team. Doug MacIver came through whenever the team was in a tight spot. Carl Ohlson contributed his usual steady play and Kenny Anderson's pitching improvement helped the team greatly. The up-and-coming sophomores will lend a helping hand in the seasons ahead.

BASEBALL '66

BASEBALL '66

The field hockey team, led by Co-Captains Elaine Powell and Kothy Seoblom, had a winning season with a record of 5 wins, 4 losses, and 1 tie. Patty Conniff was the leading scorer in the 11 goals and paced the team for a hard fought tie with Morshfield, the 1st place team. W.B. was the only team able to cope with them! Altogether, the players displayed great team spirit and pride.

FIELD HOCKEY

GIRL'S BASKETBALL

The girl's basketball team had a thrilling season. Co-Coptains Kothy Seablom and Elaine Powell led the team through many exciting games well fought to the end. High scarer Potty Conniff came to the rescue often and led the team to frequent victories. Every team member put-out all the way and their efforts show in the record.

The softball team got off to a great start. There were enough candidates for both a varsity team and a junior varsity team. Under the leadership of captain Sue Styles, the team had many victories. Kathy Seablam, one of the best shortstops in the league, brought the team through in many tight squeezes. She was assisted by Marie Rass, an outstanding hitter and fielder; Elaine Pawell, a fast runner who kept up the spirit of the team; and Cecilia Diernbach, a girl with plenty of hustle. Long-awaited new equipment and uniforms helped lift morale and bring about a successful season.

First row: Frances Finch, Pat Perry, Barbara Hayward, Janet Manzer, Sue Bowman, Eva LePine, Jean Piver, Barbara Cox, Melinda Coelho--manager, Margaret Mahoney. Second row: Cecilia Diernbach, Marcia Stuart, Diane Johnson, Kathy Seablom, Elaine Powell, Marie Ross, Pat Conniff, Sue Carlson, Sue Styles--captain, Miss Kyle--Coach.
